

**“Do not be afraid...
for I know that you are looking for Jesus,
He is not here; He has risen, just as He said”**

Whilst we would be inviting you to Hope's building itself
we are more aware under these present conditions that
the 'church' is God's people, worshipping together.
We promise, through faith to be alive
to the needs
of all who call on us.

The Glory of the Risen Lord gathers us together,
One by one ...making us one family
He walks with us ...on our journey.
Wherever we are, whatever our circumstances.
We pray with you and for you.

*The Resurrection of Jesus Christ
Changes the midnight of fear
Into a sunrise of peace.*

*Our Pastor, Rev Robbie Hall, QGM,
deacons, members and friends
of
Hope Baptist Church, Bridgend.*

Send you our love and our prayers

Trusting that you will experience

Joy, Peace and Hope

This Eastertime

No one heard the stone being rolled away ...
No one heard Jesus's footsteps as He walked out
Into a world blest and covered at last
With the mantle of Eternity.
